Behold a Great Priest Who in His Days Was Pleasing to God

Archbishop Purcell Inspires the Cavalier

The name Purcell is one to be proud of, for it is that of one of Cincinnati's most famous religious and educational leaders, Archbishop John Baptist Purcell. Born in Mallon, Ireland in 1800, he died in Cincinnati in 1883. While Archbishop of the Cincinnati Archdiocese he was a standard of education and Catholicity. It is most appropriate that our school, a leader in education and a dynamo of Catholicity be named in his honor.

We revere the memory and are proud to bear the name of Archbishop Purcell.

Forming Leaders Through a Bro. William Schroeder

This year marks Purcell's Silver Jubilee, but it also commemorates the twenty-fifth consecutive year which Brother Bill has spent at Purcell. During these years Brother Bill has helped tremendously to give meaning to our motto: "Outstanding among all." Brother Bill's long stay at Purcell has enkindled the spirit of the school; his loyalty has passed on this spirit to each student.

The first organization of Purcell's marching band was the work of Brother Bill. He laid the foundation upon which it still builds.

Intellectually and culturally he has developed boys in preparation for entrance into their life work. Teaching mathematics has long been part of his daily schedule. Brother Schroeder is best known as athletic director of all of Purcell's sports. His tireless work in this position has been responsible in no small measure for Purcell's success in all interschool athletic competition.

In appreciation of all Brother Bill has done for the athletic, cultural, intellectual, and spiritual growth of Purcell during the past twenty-five years, we dedicate to him the 1953 Cavalier.

God bless you, Brother Bill, and may you be safeguarded throughout the coming years.

And The Cast

The Alumni Association, organized in 1945, is one of the most loyal backers of Purcell. Not only does it furnish certain financial aids, but it adds greatly to the spirit of Purcell. It encourages studies by awarding a free trip to Xavier University's "Operation Youth," while the trophies it awards at the football banquet provide the incentive in athletics.

Among the many events sponsored by the Alumni this year, which included the Alumni Welfare Picnic, the Football Homecoming Dance, the Annual Communion breakfast, and the dance to introduce seniors to the Association, the most outstanding was the testimonial dinner, given to celebrate Purcell's Silver Jubilee, and to honor Brother William Schroeder, who has been at Purcell for twenty-five years.

The most ardent members of the Alumni are: Vince Billiter (President), Paul Stickley (Vice-President), Tom McQuaide (Treasurer), Hugh Byrnes (Recording Secretary), Gibbs MacVeigh (Corresponding Secretary), Lee Grunkemeyer (Organizer and First President), and also Jack MacKenna, Tom King, Marty Bauer, and John Picciano.

The Alumni Association serves as a link between the school and the graduating classes, keeping the old students in contact with Purcell and its functions.

Wisdom Hath Built Herself a House

Proverbs: IX, 1

On September 16, 1928 Purcell High School was dedicated. It had been built so that the young men of the diocese could receive an education that would make them not only citizens of America, but children of God.

Archbishop John T. McNicholas, speaking on Catholic Education at the dedication ceremonies said, "It is to train our children that they will acquire the habit of having a supernatural motive for every thought and word and action of their lives." Archbishop McNicholas had seen the need for several new high schools. Purcell became one of these foundations, being named as a memorial to that leader of the Catholic Church in young America, Archbishop John B. Purcell.

The architects, Crowe and Schulte, used the Romanesque style of architecture in this three story building. The exterior was built of brick with stone trimmings. Only the most modern equipment was installed in the \$600,000 structure. Upon completion, it immediately took its place among the most beautiful educational institutions serving the community.

The school was put in charge of the priests of the diocese and the Brothers of Mary, who have schools located all over the world. This faculty has done a noble job in preparing young men for the battle which faces them at graduation, the never-ending battle for sanctity.

The twenty-five years have been a road of constant improvement. These improvements have enabled Purcell to move ahead constantly in the fields of spiritual, cultural, intellectual and physical education.

The benefits of Purcell are seen in the graduates, both in their work for the community and in their devotion to God.

Officers of the Alumni: Hugh Byrnes, Recording Secretary; Paul Stickley, Vice-President; Vince Billiter, President; Tom McQuaide, Secretary-Treasurer; Gibbs MacVeigh, Corresponding Secretary.

Receive My Instruction

Proverbs: VIII, 10

In this our Silver Anniversary year, we pay special tribute to the Most Reverend Karl J. Alter, Archbishop of Cincinnati. Archbishop Alter was born in Toledo, Ohio on August 18, 1885. After receiving his education at the University of Toledo and St. John University, he was ordained on June 4, 1910. Archbishop Alter was appointed head of the Archdiocese of Cincinnati after the death of Archbishop John T. McNicholas in 1950. Since his ordination in 1910, His Excellency has been an active member in all fields of welfare activities.

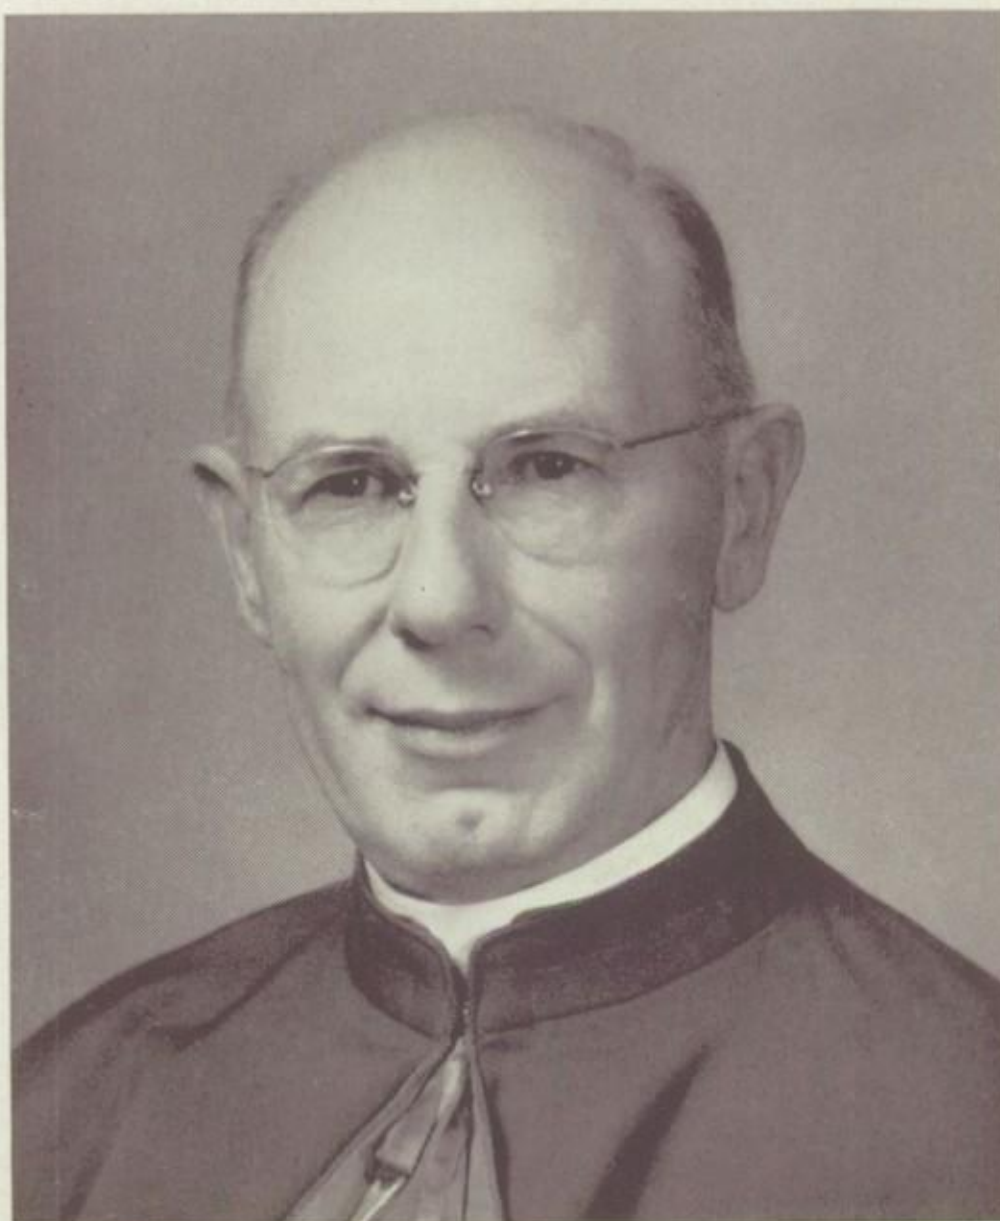

Last year on November 14, Archbishop Alter was appointed chairman of the administrative board of the National Catholic Welfare Conference. Archbishop Alter has excelled in all fields of charity, education and administration. During the latter part of 1952 Archbishop Alter began a campaign throughout the archdiocese for funds for the restoration of the old Cathedral, St. Peter in Chains. His plan was met with approval by the entire archdiocese of Cincinnati.

Rev. Ralph J. Gorg, S.M.

When the doors of Purcell opened in September for the twenty-fifth year, a new face appeared in the office of the Principal. Our Silver Jubilee Principal, of course, is Rev. Ralph Gorg, S.M., who in the course of one year has proven to be a valuable asset to both faculty and student body. His guiding counsel and inspiring example have helped in lighting the way for the Cavaliers' spiritual and intellectual life.

25 Years A Marianist

Bro. Lawrence J. Eveslage, S.M.

Assistant Principal

The year 1953 holds a two-fold significance for Brother Lawrence Eveslage. Not only is it the twenty-fifth anniversary of Purcell, but it is the Silver Jubilee of his entrance into the Society of Mary as a teaching Brother. At Purcell, besides teaching Practical Geometry and Radio and Electricity, Brother Eveslage is Vice-Principal and Disciplinarian.

Rev. Joseph L. Kerr, S.M.

Registrar
Guidance Director

We have a jack-of-all-trades at Purcell, a smiling Irish priest named Father Joseph Kerr. As our registrar and publicity director, Father is constantly busy. For some time our likeable friend has inspired the Dramatic Club, while during the past year, in the role of a novice, he guided the Speech Club to further triumphs. For shouldering this multitude of tasks, we say, "Thanks, Father, from the bottom of our hearts."

Rev. James O. Byrne
Procurator-Treasurer

Father Byrne, our procurator and money-man, skillfully masterminds the Purcell Welfare Association and its pet project, the annual Turkey Festival. Father is also responsible for those wonderful (Ahem!) meals we buy in the cafeteria, for he is in complete charge of this establishment. Seeing these accomplishments, it is certainly fitting, then, that we pause and salute reverently this unappreciated, staunch patron of Purcell.

For I Also Was My Father's Son,

The Secretaries:

They Keep the Record Straight

Miss Mary Kennedy
Principal's Secretary

Mrs. Hubert Buschle
Vice Principal's Secretary

Mrs. Joseph Leisring
Procurator's Secretary

Efficiency is not at all the sole virtue of Miss Mary Kennedy, a faithful secretary at Purcell for twenty-five years. Physically small, she handles the responsibilities of a giant. Since the foundation of Purcell, each principal has been served well by her efforts.

The matchless efficiency of Miss Kennedy is rivaled especially by her sparkling personality.

Brother Eveslage makes sure that his helper, Don "Zoom Zoom" Fenton, checks in at the right time.

Thomas Doyle
Vice-President

There were twenty-five nominees for senior officers. After a vigorous campaign and much thought on the part of the seniors, four typical Cavaliers were chosen. These seniors have taken the responsibility of leading the students, particularly the seniors, to their goal, which is the application of Christian principles in everyday life. In this, our twenty-fifth year, they have endeavored to do this job to the best of their ability, as the development of Vocation Day will attest.

Freshmen and Sophomore Presidents: **Front Row:** Michael Tucci 1G; Theodore Wilfong, 1B; George Conroy, 2C; Ronald Becker, 1C; Edward Fritsch, 2E. **Second Row:** Herbert Frey, 1H; Charles Tipps, 2D; William Schloss, 1D; Charles Degaro, 2G; Harry Davey, 1F; Ronald Notick, 2B; Edwin Tepe, 1A; Anthony Camele, 1E.

Junior and Senior Presidents: **Front Row:** George Kane, 3H; Joseph Longi, 3F; James Kramer, 3G; Anthony Gallo, 4E; John Neilson, 3D. **Second Row:** Dave Harmon, 4B; Robert Carr, 3B; Thomas McGraw, 4F; John Schmidt, 3E; James McQuaide, 4D; Stanley Humbert, 4C; Charles Lima, 3C; Leonard Eads, 3A; Dave Hoffman, 4A; Robert Verdin, 4G.

Faculty at Ease

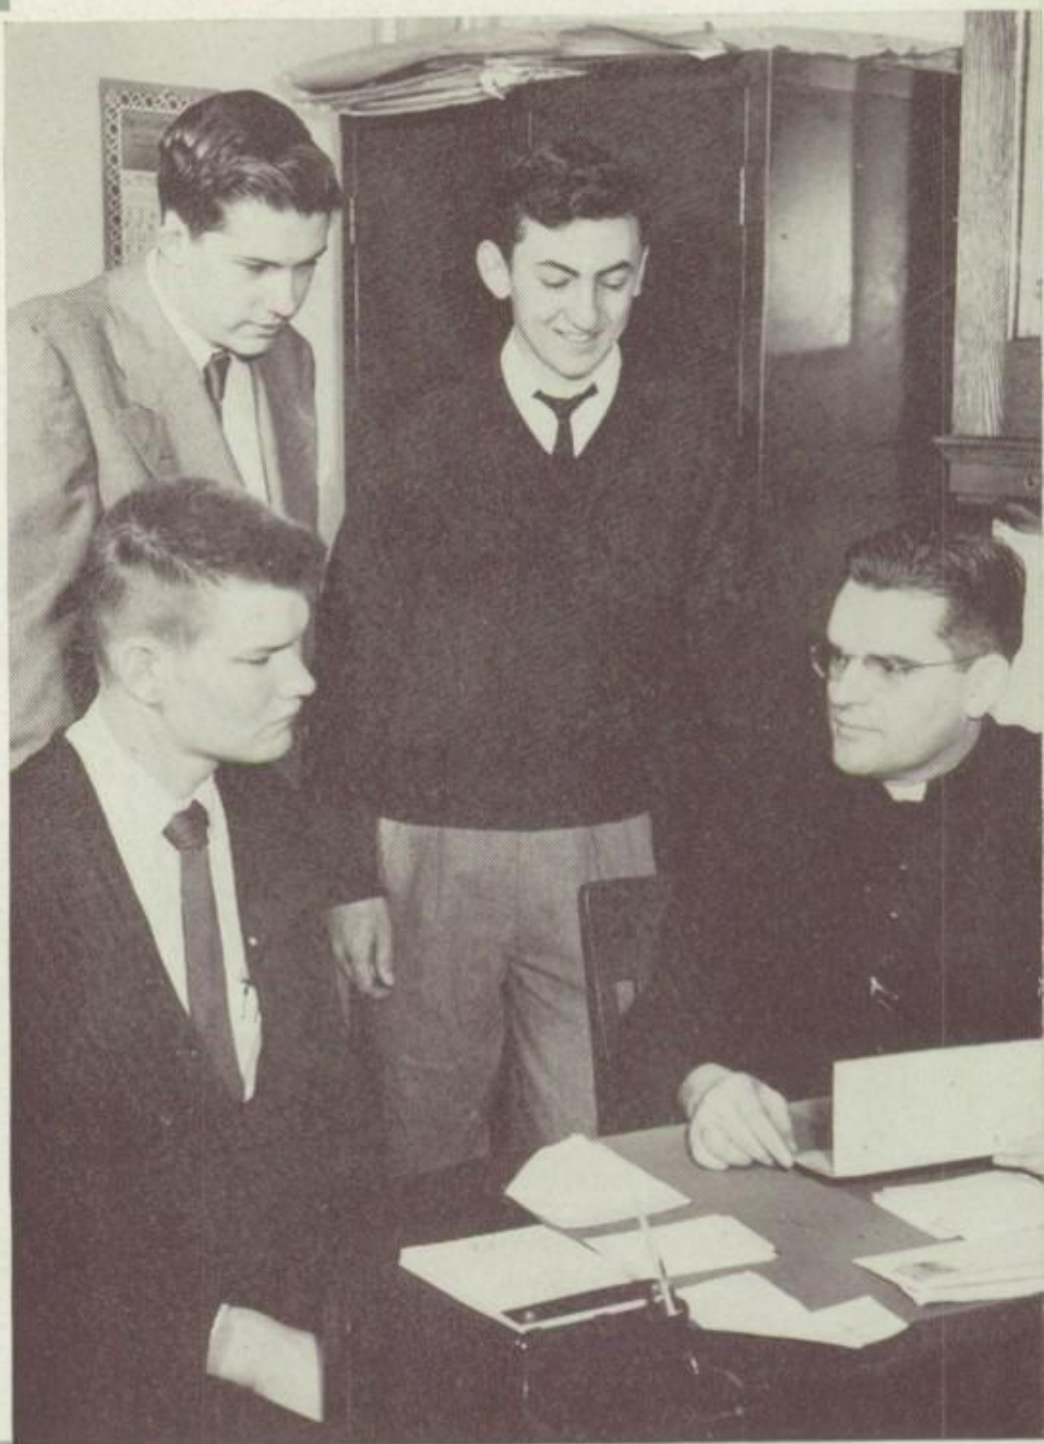

Although some may not believe it, all of the time of the members of the faculty is not taken by the classes which they teach. Besides living a devoted religious life they find time to squeeze in other activities. One of these is the faculty bowling league, with 200 games frequently appearing.

A great number of the priests are assistant pastors and are engaged in parish work. Some indulge in basketball occasionally, in this Brother Foerster possesses much talent. Father Raymond Favret is the moderator of Purcell's dances, and coach of the golf team.

Fr. Kerr welcomes new seniors entering for the second semester: Bill Thole, Jim Burns and Tom Glenn, and discusses the course of study they will follow.

Brother Goetz pours forth his knowledge of squirrels into the minds of Jim Speier, Stan Van Scyoc, John Zmurk.

Brother Gensler and Jack Martin congratulate Brother Bill, Miss Kennedy and Brother Eveslage, who are observing a triple jubilee this year. Brother Bill and Miss Kennedy are celebrating twenty-five years at Purcell and Brother Larry his twenty-fifth year as a Marianist.

Many teachers have left Purcell and have gone on to higher positions in the church. Among these are: the Very Rev. John A. Elbert, S.M., the first principal of Purcell. He is now provincial of the eastern province of the Society of Mary; Rt. Rev. Monsignor Henry J. Schengber, now celebrating the 60th anniversary of his ordination to the priesthood at St. Francis de Sales parish, was a member of the faculty of Purcell during the first year of the school's existence; Rt. Rev. Monsignor August J. Kramer, director of Catholic charities in Cincinnati, taught here from 1940 to 1945; Rev. Leonard McL. Fee, S.M., who served as principal here from 1941 to 1946 now heads the Institute of Marianist Studies at Glencoe, Missouri.

That Years of Life May Be Multiplied to Thee.

THEY STRIVE TO IMPART WISDOM

The education of a Purcell teacher never comes to an end. After a full day in class, several faculty members take courses at the local universities. Especially during the summer the Brothers and priests are engaged in graduate studies, working for that coveted masterate. Last summer three of the faculty members completed their graduate work. Bro. Bernard Diethorn obtained a masterate in History from Western Reserve, Cleveland. At Ohio State University Bro. John Flynn merited a masterate in Science Education and Bro. Francis Grisez completed a masterate in Fine Arts.

Besides their avid interest in sports, the faculty members continue their education by serious reading and attendance at dramatic and musical programs.

Proverbs: XII, 1.

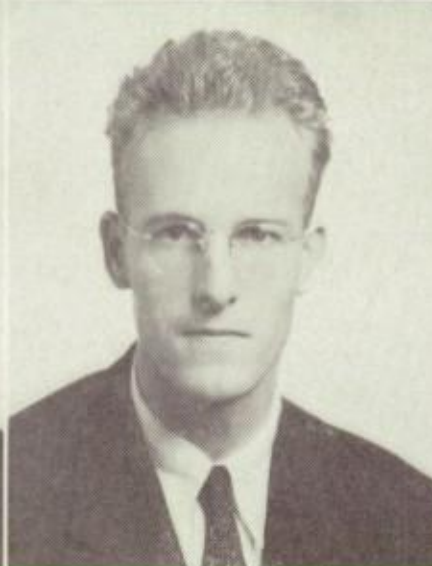

The diocesan priest at Purcell has a twenty-four hour-a-day job. Besides teaching he must perform his duties as parish priest. He must give spiritual and moral strength. He must be all things: a father, a doctor, a business man. He must constantly strive to lead himself and the parish he serves to the Eternal Goal.

Besides the task of teaching and educating, the Brothers of Mary have found time for many extra-curricular activities. They take part in faculty and community projects and are the moderators of many of the clubs at school.

But more than being our teachers and friends, they are leaders, leaders in a spiritual way, who daily through their good example show us "The way to Jesus through Mary."

Heareth Not When He Is Reproved.

Guidance: Key to Success

Bro. Streb aids a senior in choosing his curriculum for future college studies.

The task of helping all the students with their choice of elective subjects, their selection of a college, and their vocation is an enormous one, but is one which is expertly handled by the guidance committee. This committee runs Purcell's guidance program, showing each student his weaknesses and his talents so that he may better choose what is right for himself after high school.

A testing program, administered by the guidance center of the University of Dayton is given in the spring of each year to prospective freshmen. On the basis of this the students are advised on the course of studies they are to follow. Similar tests are given during his four years at Purcell to show how the student progresses.

The guidance committee is composed of Father Kerr (chairman), and four divisional counselors. Seniors, Fr. Urban Rupp; Juniors, Bro. James Goetz; Sophomores, Bro. James Foerster; Freshmen, Fr. Raymond Favret.

Tom Lee has proven himself one of the masterminds of the senior class. A four year honor student, with a high scholastic average, he uses his talents for the betterment of many of Purcell's organizations. He has served as city-wide president of the C.S.M.C, and is a member of the Math Club and the Triple A-C. Tom has served as a cheerleader for four years, leading the student body in cheering on our Silver Jubilee teams.

The Cavalier Code:

Guide in the Past Beacon for the Future

Zmurk

Zolg

As a student of Purcell High School, I am responsible for upholding the honor of the Catholic Church and the good name of my school. I therefore pledge on my word of honor:

To obey the Commandments of God and His Holy Church.

To respect and honor my parents, my teachers, all civil authorities.

To respect the rights of my fellow-men regardless of race, color or creed.

To live a clean life: in thought, in word and in deed.

To discourage unclean amusements and entertainments.

To make a sincere Confession and to receive Holy Communion at least every two weeks.

To be faithful to my daily prayers; frequently to visit the Blessed Sacrament and to recite the Rosary.

To place myself under the protection of my Blessed Mother by wearing her Scapular Medal.

To bring Christ and His Church to others; to be a leader in my parish.

To be proud of my Catholic education and always to be a credit to my school—PURCELL HIGH.

JUNIORS RING IN THE SECOND QUARTER CENTURY

As the Senior Class of 1953 passes into history as one of the school's outstanding classes, twenty-five years of Purcell's history come to a close.

Looking into the twenty-five years of the future, we find the class of 1954 waiting to share the privileges of the present Senior Class. The juniors of this year begin twenty-five more years of scholastic achievement.

We, the juniors, wish the Senior Class good luck as they close a glorious quarter century, and as we open one which, we hope, will be even more graced with glory for Purcell.

Homeroom 3A: Bruns, Eads and Duval draw up plans for a new swimming pool on the fourth floor. Vieson is beginning to wonder if he will fit.

Homeroom 3B: Mendenhall, Clock and Gilligan seem to know this fellow, but did he really follow them to school?

Homeroom 3C: Brother Leazer's Chemistry Cadets, Flederman, Gerwe, Bracke and Company do some work with their Junior Atomic Bomb Kit.

Homeroom 3D: Dick Carle is showing Mark Fletcher where his new girl lives; but have Neison, Donnellon, Farrell and "Thumbs" Brinkmoeller been invited to the party?

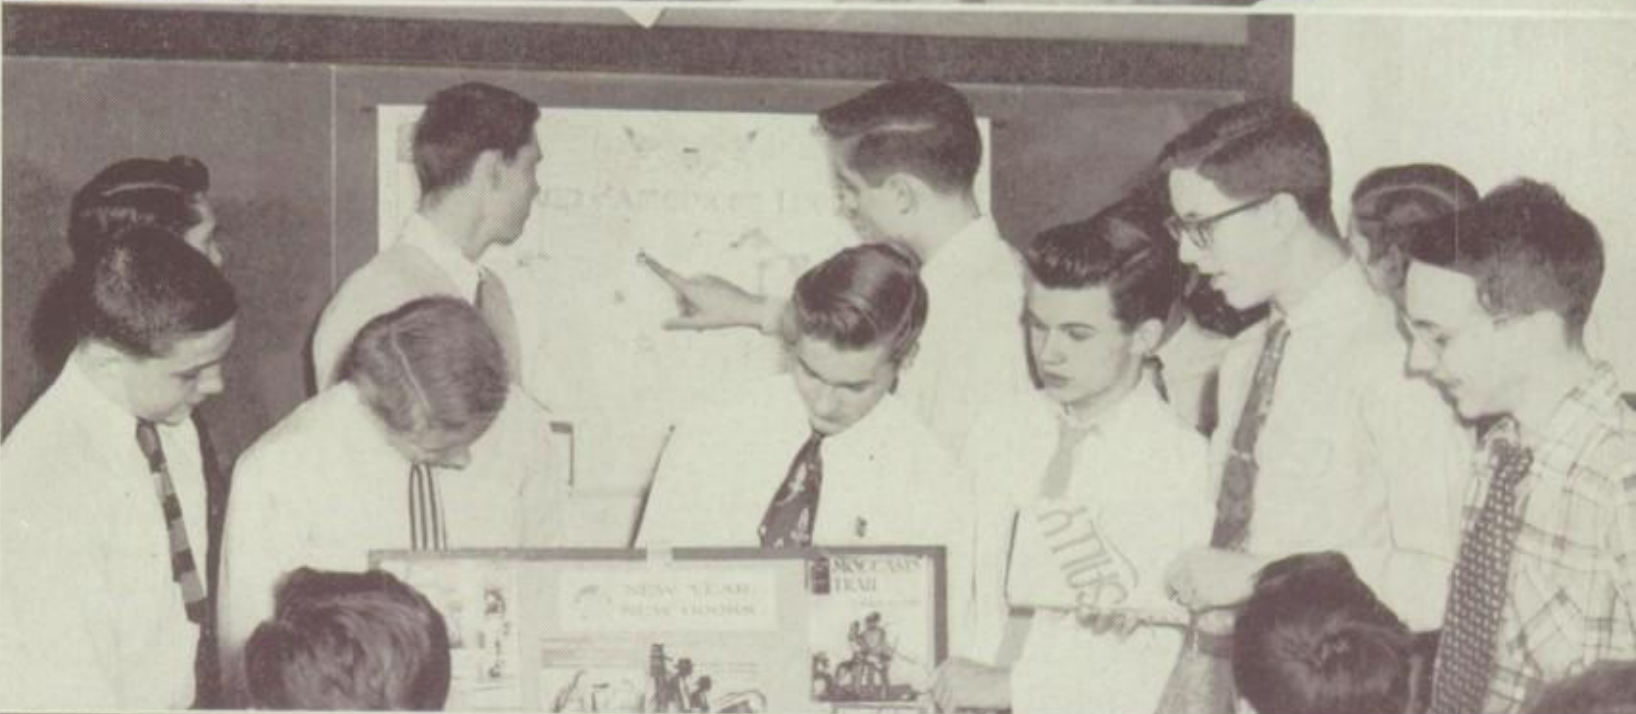

Homeroom 3E: Sager and Kitt consult Regina's Beacon for beauty tips, but Scharringhausen and associates go in for the comic strip.

Homeroom 3F: Carovillano, Longi and Callahan, 3F's high minded class officers, appear to be accepting a bribe from Stocker. Hmml

Homeroom 3G. Literary genii consult the bulletin board for high class reading matter. Who wrote Sally?

Homeroom 3H: No, these Cavaliers aren't catching flies, they are singing Gregorian Chant. However, Blessing, Henderson and Gruber, being ventriloquists, don't bother to open their mouths.

THROUGH THESE ORGANIZATIONS

We Develop

INTELLECTUAL LEADERSHIP

Among the clubs and organizations active at Purcell there are several whose chief purpose is to stimulate further interest in and to apply the various ideas learned in the classroom. The clubs which are most closely related to the intellectual ability of the student are the Debate and Speech Club, the Triple A-C, the Library Staff, the Mathematics Club and the Science Club. A student who has special interest in the various fields which are covered by these clubs has an excellent opportunity of furthering his abilities and skills in these significant fields.

Learning Self Reliance

Purcell Anthem

Bro. Victor J. Brown, S.M.

Mr. Hubert Buschle

*The sheen of lustrous banner unfurled in azure frame
Is Gold of sunrise splendor and Crimson sunset flame.
Heroic valor, daring all shall keep the Crimson bright;
The valiant Cavalier at last shall claim the victor's right;*

Ray Turner and Bob Miller take advantage of Purcell's Library. Other Cavaliers busily ply their fountain pens.

*And grand the cause which he defends,
The love of warrior bold,
For Christ the King and Mary fair,
Is blazoned on the Gold.
The sheen of lustrous banner unfurled in azure frame,
Is Gold of sunrise splendor and Crimson sunset flame,
Purcell's victorious banner—we'll guard fore'er its fame.*

library staff.

During twenty-five years our school has grown from small beginnings to the leadership it enjoys today. As the school has grown, activities and groups have come into being for the students' pleasure and development.

An important part of this development is reference work. An easy place to attain additional knowledge is the school library. Keeping pace with the scholastic growth of Purcell has been the library. Since the library was opened in the school's first year (1928), many Brothers have had charge of it. The librarian best known to this year's class is Bro. Frank Diebel, S.M., who directed the library for eight years until his transfer in 1952.

The Silver Jubilee Year has seen Bro. William Kiefer take charge. Efficiency, unselfish helpfulness, and faultless business-like procedure characterize Brother William.

Ever Since 1928

The Library

Bro. William discusses plans with Metz, Klems, Winstel and Moore for more painless methods of charging books.

Stronghold of Learning

Bro. Kiefer estimates that the library contains 8000 books—many more than the library had during its first year. The 8000 volumes include a good reference section, fiction and biographies, and an extensive general section which covers every subject.

Helping Brother in the running of the library this year are fifteen student librarians. These students aid in keeping the Purcell library a ready source of useful information and recreational reading.

Counsel and Equity Is Mine

The Debate and Speech Clubs Foster Social Leadership

John Van Flandern demonstrates to Jim McDonald and Ed Zobel his oratorical ability.

Wisdom is Better Than Strength

The Debate and Speech Club at the Cavalier Castle was founded in 1933. It is a leading member of the Greater Cincinnati Speech League and is active as well in the Ohio High School Speech League and the National Forensic League. Through this club Purcell has produced many students with qualities of leadership. The record for the travels of the club was apparently set last year when the club rolled up more experience in out-of-town tournaments than ever before.

This year the club is under the direction of Purcell's registrar, Father Joseph Kerr. The debaters traveled to the K. of C. Invitational Tournament in Cleveland, and to the district and state finals of the N.F.L. at Denison University and in Columbus, scoring the runner-up position in ex-tempore speaking. In local G.C.S.L. competition, the score in debates won and lost was about even. However, Purcell won the award in ex-tempore speaking.

Debating—Begun in 1933

Studying the Order of the Universe

The Triple A-C is a club including eleven of greater Cincinnati's Catholic high schools, formed to increase a member's knowledge of science, and to provide for him a social outlet. The high schools besides Purcell which comprise the club are: St. Ursula, Ursuline Academy, Roger Bacon, Elder, St. Mary's, Our Lady of the Angels, Regina, Seton, Mother of Mercy, and McNicholas.

A typical meeting is opened with business and followed by short talks on various phases of science. This is followed by a social and dancing. The meetings are arranged so that each is held at a different school. Brother Goetz is moderator of the Purcell chapter and, in general, is responsible for the success of the Triple A-C.

Second Row: Ken Connelley, Mike Reis, Ken Fledderman. **Third Row:** Russ Sailing, Jack Brinker, Charles Rielage, Ed Hardin.

The Mathematics Club was organized this year under the leadership of Brother Foerster, and numbered approximately sixty members. Membership was open to any junior or senior interested in math, and having an average of 90 percent in the subject. The officers of the club this year were: Stan Humbert, President; Paul Schramm, Vice-President; Tom Doyle, Secretary; Tom Lee, Treasurer. Some of the club's activities included the presentation and discussion of interesting mathematical topics, such as the history of math, lives of great mathematicians, the theory of the slide rule, and card trick mathematics.

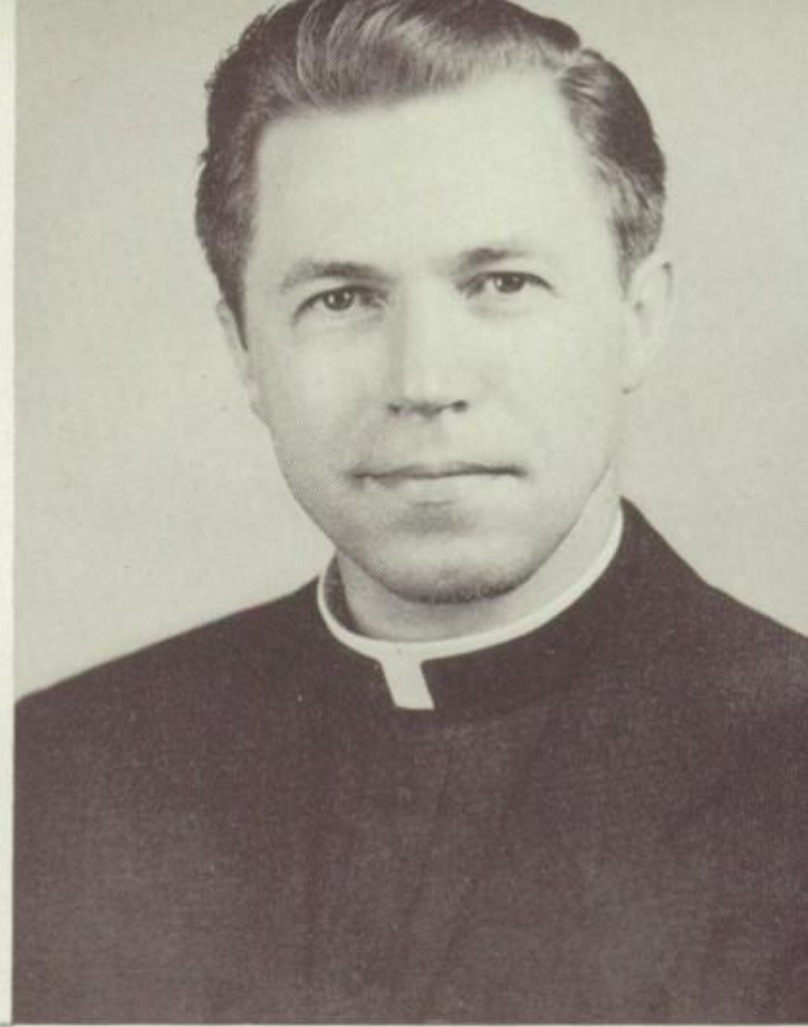

The chief purpose of the Math Club is to encourage individual scholarship and competency which will be useful in college and later life, and to stimulate interest and appreciation for the "master key of the universe."

Keep My Commandments and My Law

John J. Frankenger a Spiritual Leader of 1953

Jack Frankenger has the gift of leadership. He has led in many fields—in the classroom and in extra-curricular activities. However, he has gained most prominence in his attempt to lead Cavaliers spiritually. He has been the instigator of a movement for the frequent reception of the sacraments. Jack is President of the C.S.M.C., a member of the Students' Spiritual Council and the Sodality.

Seniors, absorbed in adoration at the Mass opening the Jubilee Year, bear out the adage, "Good Cavaliers are praying Cavaliers."

Senior members of the Student Spiritual Council include: Albert Newbauer, Charles Mauer, Stanley Humbert, John Van Flandern, James Carson and Jack Frankenberger.

The Student Spiritual Council this year, under the direction of its two moderators, Fr. Brinkman and Fr. Favret, was active in helping to promote the spiritual welfare of the Cavaliers. With the support of the faculty and the student body, the Council helped to make this year's Christmas novena for our parents a bigger success than any previous year. Another of its noteworthy accomplishments was the project to induce more Purcell students to say grace before and after meals.

Yes, the Student Spiritual Council at Purcell this year was, as it should be, a significant organization in the school. It was an important factor in helping Purcell's Cavaliers to lead a good, wholesome, Christian spiritual life.

Founded 1932

The history of the C.S.M.C. unit at Purcell begins in the fall of 1931. The Very Rev. Frank A. Thill, an executive of national C.S.M.C., came here to speak for the crusade. Under the leadership of Brother Dombro, now father, the unit was begun in November of that year. Most Rev. Frank Thill is now Bishop of Salina, Kansas, and is a leading executive in the national organization.

The unit progressed over the years, encouraged with zeal by faculty and students. We are happy to say that this year's activities of the C.S.M.C. have broken records at Purcell. Under its moderator, Father Raymond Favret, the unit has worked tirelessly to promote interest in the missions and the mission problems of the Church, and to grant aid whenever possible.

Officers include: Jack Frankenger, President; John Van Flandern, Vice-President; Stanley Humbert, Treasurer and Dennis Hemmerle, Secretary. Tom Lee of 4C is City President. A campaign to aid the missions began in August prior to the opening of school when Father Favret, and a group of students attended the National Convention at Notre Dame, Indiana. Once begun, the campaign kept on going. Dances and drives broke all records; articles were published; aid was given to many missionaries. A big Mission Day was held. Such is the story of a group of boys working together under faculty direction, to speed the endless work of bringing souls to Christ.

Students enter St. Francis de Sales Church, the scene of many of Purcell's religious activities.

Entrants in the Red Cross art contest are: Dave Camele, Tom Smith, Rogers Clearly, Bob Plogman and John Dewey. Fifteen pictures were sent as goodwill gesture to Europe.

Red Cross --- 1932

Much is said regarding Purcell's organizations of the past quarter century. The Sodality is an organization of the future. Having been formed this year in Cincinnati, the Sodality boasts no past at Purcell. However, in other Marianist Schools the Sodality is the oldest, most powerful, and most revered of their spiritual organizations. Here at Purcell, we feel sure it is destined to combine and render more effectual the excellent work of the Students' Spiritual Council and the C.S.M.C.

Members have been chosen with discrimination thus assuring the Sodality a solid foundation. Because of its relative newness, activities have been few and no officers have been elected. In the Sodality there are four steps of membership: postulant, probationer, aspirant and, finally, sodalist. The General Moderator at Purcell is Father Urban Rupp. Senior moderators are Fr. Kerr and Bro. Foerster; Junior moderators, Fr. Rohrkemper and Bro. Goetz; Sophomore moderators, Bro. Foerster, Fr. Smith and Bro. Kunes; Freshmen moderators, Fr. Favret, Bro. Dahlmann and Bro. Streb. The Sodality, originated by Fr. William Joseph Chaminade, is an organization which shares with the Marianist priests and Brothers as well as the diocesan priests, the goal of attaining Christ through Mary.

He That Hath Begotten a Wise Son,

Annual Retreat --- 1929

Our retreat master, Father Erpenbeck, S. J., chats with Bill Gerard between conferences.

Father Gorg celebrates Benediction and brings the retreat to a close.

What Does It Profit a Man
If He Gain the Whole World,
And Suffer the Loss of His Soul?

Father Joseph Kerr distributes the Holy Eucharist to the seniors and their mothers at the close of the annual retreat.

Retreats may be considered as stepping stones over the rugged terrain which hinders us on our journey to Heaven and everlasting happiness.

As is the custom at the Cavalier Castle, studies were suspended during the waning days of January for the purpose of offering the student body an opportunity for prayer and meditation, at the annual retreat.

The retreat gave us a chance to stop and think about our spiritual life, regarding what we have done and what we have not done, a pause such as a sculptor must make from time to time to survey his masterpiece to detect the flaws and rough edges which may need correcting.

Held for the first time was a closed retreat for those seniors who wished to get away from a worldly atmosphere and better feel the spirit of their retreat.

The response among the four year men was great enough to necessitate the formation of two separate groups.

Under the guidance of the Franciscan Fathers at Friarhurst Retreat House the seniors solved their problems and acquired a wealth of spiritual blessing.

Knowing well that this might be their last retreat for a long time, the students strove energetically to capture God in their hearts and prayed for the graces to keep Him there throughout every day of their lives.

The regular retreat for the students held here at school was under the supervision of Father Erpenbeck, S.J.

As beautiful and inspiring as ever, the mother and son Communion Mass highlighted the closing of our Silver Jubilee Retreat.

T. Hessler, J. McDonald and other serious students examine pamphlets provided for them by Bro. Goetz during the retreat.

Shall Have Joy in Him.

Thomas A. Doyle

**A Cultural Leader
of 1953**

Tom Doyle, able in writing and speaking, is our choice as Cultural Leader. Mert is an active member of the Speech and Dramatic Club, the Milton Berle of Purcell's unrehearsed football rallies.

Co-editor of the Plume, Tom's unusual service brought him the position of The 1953 Cavalier editor.

Tom is a swell person, friendly to all he meets. We know that in the future he will continue to lead as he has at Purcell.

Judge for yourself the sanity of the Spring Concert Jug and Bottle Band. **The inmates are:** Tom Spaeth, Charles Mauer, Bob Corpstein, Ken Connelly, Ed. Hess, Jim Walerius, Dave Engle, Gene Gollahon, Jay Rizzuto, Tony Chiodi and Garlin Smith.

Dramatic Achievements

Begun in 1930

The Admirable Creighton

Dave Hoffman as Creighton and other Purcell seniors take pleasure in practicing "The Admirable Creighton" with Regina's ladies of the theater.

DRAMATICS

The Dramatic Club is among our oldest clubs, for this is its Silver Jubilee year. It has flourished through the years and has provided many hours of entertainment. Its first director was Rev. Aloysius Seitz, also first chaplain and later principal of the school until 1937. From 1930 to 1931 Tyrone Power was a member of the club. Among the productions were "Charley's Aunt," and "The Whole Town's Talking." Rev. Leo Uht succeeded as both principal and dramatics director. Under his guidance such plays as "Seven Keys to Baldpate," and "The Milky Way," were produced. In 1940 Bro. Joseph Kerr (now Father Kerr) took charge and directed "Brother Orchid," "You Can't Take It With You," and "Arsenic and Old Lace."

Brothers Joseph Keimig, Maurice Beyer, and Charles Rossman took succeeding turns and did much to further dramatics at Purcell.

Rev. Joseph Kerr returned in 1948, and the Drama Club has been under his management since then. He has directed "The Man Who Came to Dinner," and "Harvey." Last year the Dramatic Club gave a successful presentation on television of "The Bishop's Candlesticks."

The Purcell senior dramatists again traveled to Regina to participate in their annual senior play. Regina chose James Barrie's "The Admirable Creighton," a well-known English farce.

Cavaliers taking leading roles were: Dave Hoffman as Creighton, Charles Mauer as Lord Loam, Al Neubauer as Lord Brockelhorst, Dennis Hemmerle as Ernest and Jim Van Flandern as Mr. Treherne. Other Purcellites in the cast were: Jack Martin, Jack Frankenberger, Jim Burns, Roger Losekamp, Tom Stadtmiller and Jim Carson.

Early in May, Father Kerr's Tyrone's presented a radio play depicting the Sesquicentennial of Ohio and the Silver Jubilee of Purcell. This along with the colorful Spring Variety Show made up for the lack of the traditional annual play at Purcell.

Strike up the Jubilee Band

In the early years of Purcell, a new organization, which has since been a mainstay in the growth and development of our school, was originated. It was in the year 1932 that Brother Leo Rausch, S.M., organized the Purcell Band. Through the years the band has matured into one of the most spirited bands in the city of Cincinnati.

Front Row: Thomas Doyle, Robert Wenzel, Thomas Clark, George Naegele, James Dougherty, Walter Koch, Andrew Aranyos, Charles Klienwachter. **Second Row:** Kenneth Connelly, Ralph Kahle, Robert Corpstein, James Oliver, Robert Browning, Joseph Duncan, Robert Lange. **Third Row:** Eugene Gollahon, Garlin Smith, Thomas Vornberger, Christopher Kenney, James Green, Leonard Byrne.

Organized in 1932

Although this year's band was smaller in numbers than in past years, its capabilities should not be underrated. Under the direction of Mr. Hubert Buschle, the band progressed rapidly to perform brilliantly in all of its assignments. The Silver Jubilee Band opened its season last fall with the first football rally and spirited the team at all the football games. The Crimson and Gold of the band was resplendent in the annual Holy Name parade. In the Christmas assembly, both traditional carols and seasonal songs were played for the entertainment of the faculty and student body. In keeping with the Silver Jubilee celebration of Purcell, the Spring Concert was the highlight of the band's year.

Special recognition is due to Brother Robert Springman and Brother Bernard Laurinaitis whose efforts have aided greatly in the success of this year's band. As summer approaches and another school year ends, the Silver Jubilee Band closes its season proud of its accomplishments—a job well done.

Front Row: Matthew Wagner, Ronald Hollstegge, Howard Mounce, David Dengler, William Wyder, Dennis Donnelly, Thomas Long, Daniel Leary. **Second Row:** James Walerius, Anthony Chiodi, John Rizzuto, Thomas Spaeth, David Engle, James Sonnenberg, Charles Mauer. **Third Row:** John Kelly, Joseph Paul, Edward Hess, Charles Trautman, Thomas Powell, Robert Schmidt. **Absent:** John Murray, Norman Horn, William Kuhr, Nicholas Paduano, Joseph Wilking, Joseph McCarthy, Dale Potter, Lawrence Chambers, John Roemer, John Monterasso, Raymond Weiss.

*Let us sing the praises of the bold Cavaliers,
Let the hills and dales re-echo our cheers,
As they march down the field let our voices swell,
Let the whole world know that we're all for Purcell.
For like men of old they will fight side by side,
And their bravery will soon be told.
For they will not be beat, and they'll Fight! Fight! Fight!
For the glory of the Crimson and Gold.*

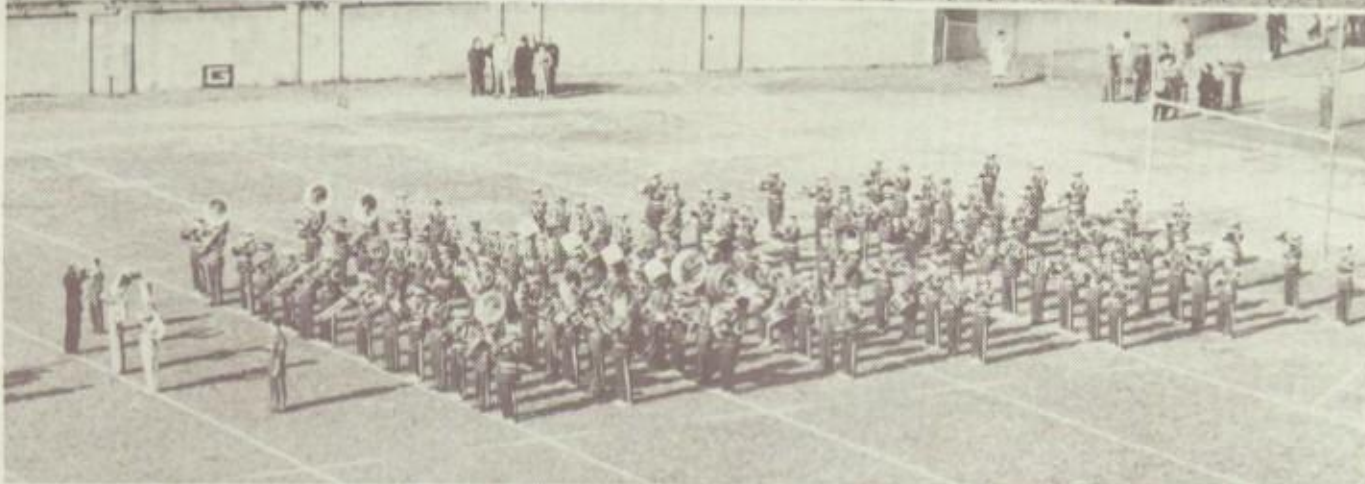

*Onward, Cavaliers, Defeat the foe, your bravery show,
On to victory! Let every man among you, Fight!*

All-American Again

This year the Plume set its sights on raising to ten the string of All-American ratings given by the National Scholastic Press Association. Its editorial staff aimed at developing the theme of the Catholic Advisors' Press Association of Cincinnati: "Toward a Worldminded Catholic Youth."

The Plume, as in the past, viewed the opinions of the Cavaliers and brought to the minds of the students the news and advice which they needed to be alert and well-informed Catholics.

Discovering many a hidden talent, the Plume was filled with high quality short stories and interviews. Each month the Plume featured on its cover a member of the administrative body of the school, starting with our Silver Jubilee principal, Father Ralph Gorg, S.M.

The Plume was an instrument in the celebration of our Twenty-fifth Jubilee Year. It is truly a continuous record of the intellectual work accomplished at Purcell during this first quarter of a century.

The 1953 Cavalier staff has attempted to uphold the standards which Purcell year books have established in the past. From the National Scholastic Press Association the Cavalier has received seven All American awards.

Perhaps the most ardent worker on the art staff was Robert Plogman who was responsible for all of the art work. Then too, there was Allen Hollstegge who was always willing to paste up pictures and arrange layouts.

Workers on the literary staff deserve special mention. Although most of these students worked constantly, Tom Doyle was the most generous in hours spent. On the sport staff Dan Wallis proved that he could write up sports as well as participate in them.

Louis Gardner and Dick Schmidt of the clerical staff did most of the minute checking which helped to eliminate some of the mistakes from this book. The business staff, which handled the ads, patrons and the sale of the book was headed by Douglas Black.

The photography was supervised by Bro. Donald Dahlmann aided by his Camera Club. Bill Peters gave Brother most assistance.

The annual staff would like to extend its thanks to Brother Dahlmann and Brother Grisez who have truly made this edition of the Cavalier possible.

Nature Club --- Organized 1949

The Nature Club was founded four years ago by Bro. James Goetz, who is still its moderator. At that time there were only fifteen members. The club has now grown into a large organization with a membership of eighty.

The purpose of the club is to help each member to acquire a greater love of God reflected in nature, to increase in knowledge of science, and to obtain a greater appreciation of life. These aims are made actual in meetings at which several of the members of the club give informative talks, and during field trips throughout Indiana, Tennessee, Kentucky and Ohio. In such trips the members are acquainted with nature, first-hand. Among the outstanding places of interest to which the club traveled last summer were Cumberland Falls, Ky.; Reedfoot Lake, Tenn.; Versailles State Park, Roosevelt Game Preserve and Seven Caves, all in Ohio.

The club is divided into nine departments, each of which devotes its entire time to one phase of science. At present the departments include: Botany, Entomology (insects), Field, Geology and Chemistry, Herpetology (reptiles), Mammalogy (animals) and Ichthyology (fish), Microscopy, Ornithology (birds), and Taxidermy (mounting animal skins).

The system of advancement in the club is so set that a certain number of credits are given for attending functions and performing duties. When a member obtains 1000 credits, he is given the rank of Second Degree Honor Member; 750 credits, First Degree Honor Member; 400 credits, Senior Member; 150 credits, Junior Member; and less than 150 credits, Third Degree or "Rookie" member.

The Nature Club is affiliated to the Triple A-C, and sends many entries to the Hobby Fair and the Science Clubs of America. Nature Club officers for the year 1952-1953 are: Walter Herzog, President; James Carson, Vice-President; Jerry Shawhan, Secretary; and Thomas Deddens, Treasurer.

Ad Gloriam

Auctoris Naturae

During this scholastic year a new organization, the American History Club, was added to the list of Purcell's extra-curricular activities. Father Wintermeyer, whose brain gave birth to the club, served as its moderator and promoter of activities. During the first year of its existence the club has made much progress among its members in furthering their interest in and increasing their knowledge of many phases of American history. The club's activities included historical discussion and trips to various historical spots throughout the midwest. Elected officers were: T. Yannella, President; R. Winstel, Vice-President; L. Burtschy, Treasurer; J. Kramer, Program Chairman.

James H. Niemann
An Athletic Leader of 1953

Jim Niemann is a serious, quiet and likeable student. Playing halfback on the Cavalier football team, he has excelled on the gridiron. In the winter months he turns his attentions to basketball, being a capable guard, and a frequent high scorer. Finally, when spring comes in, he plays the outfield on Purcell's "1953 baseball finalists." A good pro-baseball prospect, we know from experience Jim will succeed in whatever he attempts.

In addition to school work, social activities, educational and intellectual clubs, athletics play an important role in developing the mind and the character of the high school student. School authorities here at Purcell realize this importance and have sponsored as many different forms of athletics as possible, thus giving practically every student an opportunity to participate. However, the students who do not participate directly receive the satisfaction of providing the moral support needed by the various athletic groups. The purpose of athletics is to develop in the members of the student body valuable habits which further their physical and moral growth.

Cavaliers Annex Ninth Straight GCL Championship

The 1952 Silver Jubilee Football Team brought glory to Purcell, by being tops in the city, finishing first in the GCL race and by deserving to be heralded as one of the top teams in the state of Ohio—finishing fourth, by the Associated Press high school ratings.

Coach Jim McCarthy, a leading scholastic football mentor in the state, assisted by Jack Hanlon, sent his charges undefeated through a ten game schedule to be tied only by Dayton Chaminade, another top eleven in the state.

Using the two-platoon system, Purcell amassed a total of 383 points to a meager 67 points scored by opponents.

The outstanding offensive senior players were end Stan Humbert and guard Phil Magliano, Co-captains; halfbacks "9 yard" Bob Kunkel and Jim Niemann, fullback Jim Mentzel, quarterback Bill Williams, tackles "Tiny" Paul Schramm and George Osterfeld, guard Mike Muldoon, center Tom McGraw, end Jim Morgan, and place kicker Bob Grome.

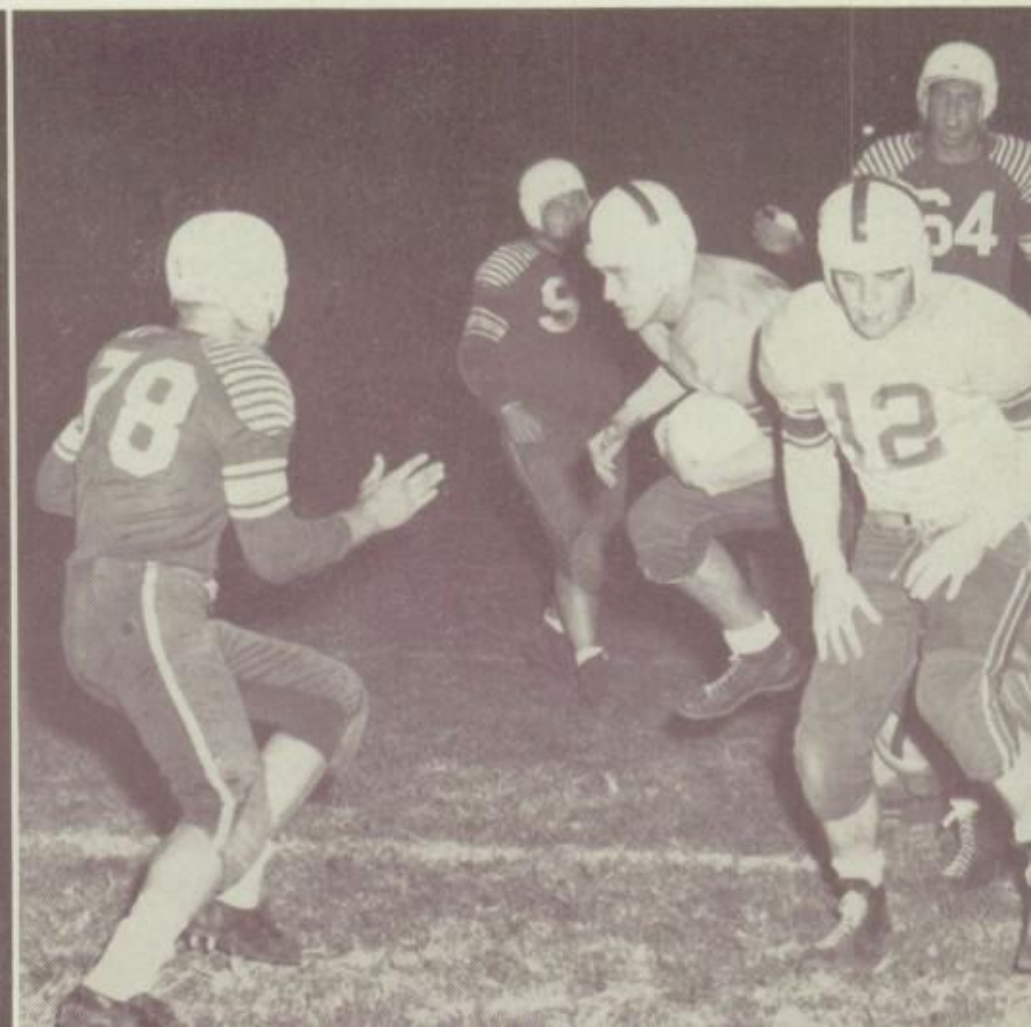

The stalwarts of the unsung defensive team, which was one of the hardest "hard rock" platoons in the state, were ends Jim McQuaide, Ron Vogeles and Dan Wallis; tackles Bob Verdin and Jack Ackermann, guards Jerry Muchmore, Al Neubauer, and Bruno Anello; backers-up Bill Bomkamp and Dave Harmon. The three deep men were Tom McDevitt, Earl Scheidler and Jack Frankenberger.

Some of the outstanding juniors were Chuck Lima, Bill Macke, Lenny Eads, Jim O'Brien, Dick Meder and Pete Madden.

Indeed the 1952 football team has shown that Purcell stands for football supremacy, and that the '52 team has made "Beat Purcell" an impossible slogan among the other teams of the Buckeye State.

Niemann bucks his way through St. Xavier's forward wall to change the score.

Reserves Have Winning Ways

The boys
behind
the scenes

On every football team you find spirit. In this the Jay Vees were no exception. Although Coach Cutcher, a new member of the staff, had a squad numbering only twenty-six players, still he finished out a seven-game schedule with only one setback.

The Reserves combined a hard charging line with a quick, alert backfield to turn the trick. The line was made up of Dobb and Servizzi, two fast-moving guards. Tasch, a hard-hitting center; two towering tackles, Morgan and Wray. The glue-fingered ends were Meyer and Silvati. In the backfield were Clark and Healey, two explosive halves; hard hitting full-back Tipps; and Degaro, who worked as field general.

We feel certain that this plugging team will be a rich source of varsity material, thus assuring the success of the 1953 Cavaliers.

agh, Bob Morency, and Lester Wittekind, demonstrated their poten-
tial of becoming a remarkable football team.

The Frosh scored 48 points to the opponents 32, while annexing a rec-
ord of five wins, one loss, and two ties.

Some of the key players on the "52" Freshmen squad were: backs—
Gruelich, Hartman, Rudolph, Hebbeler, Huber, Thies, Meyers,
Schroeder and Peeden; linemen—Algie, Blum, Roger, Kelly,
Schneeman, Stioff, Thomas, Walker, Favret and Weber.

The 1955 Varsity has possibilities of becoming another "52" team, if
every one of these players puts out a maximum effort in the three years
to come.

Minor Sports Are of Major Importance

It's the day before the With-row game and the Cavaliers get ready for the Tigers with a light workout.

While having only a small turnout this year, the cross country team, under the capable tutorship of Bro. Bill, won over Western Hills 24 to 31 and lost to Norwood 21 to 34. In the Cincinnati district meet, the Cavaliers finished sixth.

Prospects for the coming year look fair as the team will lose only one man—Dick Wess. The returning lettermen are: Joseph Stuart, Dave Striley, George Karwisch, Jerry Huxell and Phil Riordan.

The 1953 cross country team looks forward to a successful season.

Down Go the Pins

The intramural bowling season opened strong with over one hundred and thirty students participating. Twenty-four teams representing two divisions were competing for championship honors. The season ended with a championship match between Fordham and Colgate, winners in their respective leagues. Fordham, the Monday league champ, proved superior by nosing out Colgate. Schoenlaub, Engle and O'Keefe made up the backbone of the Fordham team. While the high man, Bill Ballard, with the aid of Vogele, Hoffman and Neubauer supplied the strength for Colgate.

Despite the efforts of the students, the faculty again dominated by winning nine out of twelve games in the annual faculty-students bowling match.

Basketball—1928

"The most surprising ball club in the city" sums up the whole story of Jack Hanlon's 1952-53 round-ball squad.

In the pre-season polls Purcell was called a filler on a team's schedule, but once the whistle blew the Cavalier basketballers took their place among the Royal Quintets. The speedy red and gold walked off the Queen City hardwood courts with fourteen wins against seven setbacks, constantly being rated among the top fifteen teams in the state.

The Hanlon men won conquests over Western Hills, the public high school league champions, and the powerful "Big Blue" of Hamilton. Junior center Jack McCarthy brought home twenty-three points against the Blue, earning for himself a position on their All-Opponent team.

The big factor in Purcell's success was crackerjack passing and inspired spirit.

Captain Dan Wallis, Center

Hanlon's Five Are Feared by All

The Cavalier 1952-53 model was driven by five outstanding seniors. Captain Dan Wallis was the team's leading scorer and rebounder. Earl Scheidler, a scrappy hard-driving guard, was a close second in the scoring column. "Ned" proved himself effective as the club's play-maker. Both Dan and Earl were All-City selections. Jim "Tow" Morgan's scoring spirts often proved the margin between victory and defeat. Always reliable Jim Niemann often found the range from outside and was cool under pressure. Tom "Mouse" McDevitt rounded out the senior quintet. His high spirit and deadly marksmanship was indispensable.

The Reserve basketball team under the patient coaching of Bill Cutcher, ended the season with twelve wins and nine losses, and finished co-champions in the GCL League.

The Junior varsity finished the season by winning the last nine out of eleven games, annexing the last seven straight.

Kroell and Healey were responsible for the bulk of the scoring, while Larry Kollmeyer and Paul Witte were among the more promising players.

Next year this crop of fine ball players will show that Purcell can also be a basketball powerhouse.

Frosh Take Co-Championship in Fancy Fashion

The 1952-53 Purcell Yearlings compiled an excellent record of fourteen wins against only four losses.

The Frosh under Coach Jim Westerkamp, annexed the GCL title by beating every league member twice and Roger Bacon once.

Some of the standouts were Mike Thies and Don Royer as forwards, Mike Tucci, Garrett Frey, Tommy Huber, and Bob Ash as guards, while Carson Thomas manned the pivot post.

These players, along with such promising subs as Schimpf, Rudolph, Rienhold, Kelly, Blum, and Callahan, make the 1955-56 Varsity Basketball picture bright.

At the first sign of spring the Cavalier trackmen, striving to be in top condition for the opening of the track season, jumped the gun and were seen practicing long before the basketball season ended.

Among these early starters were Jack Gulden and Jim Mentzel, both returning senior lettermen. Jack takes the high hurdles and Jim the low, and both are recognized as being the top hurdlers in this area. Jack is the G.C.L. record holder in the 180 low hurdles and will attempt to better his record during the course of the season. This will be the fourth year of varsity competition for these two hurdlers.

Back to bolster the team this year are such capable juniors as Sager and Devanney in the dashes, Carle in the hurdles, and Beck and Eads in the longer runs.

"Lefty" Reynolds and "Shooting Star" Beatty get ready for a big season.

Tom "Mouse" McDevitt, Chuck Lima, and Bill "Butch" Bomkamp wonder what's going to happen to the cover of the ball when Paul Schramm kisses it goodbye.

A most unpleasant sight to opposing batsmen is Dick Meder and Jim Fallon.

The Cavalier baseball team brought prestige to Purcell by winning the 1952 District Championship, losing only in the finals of the Reginal Tourney to Elder at Crosley Field.

The baseball team under Jack Hanlon, assisted by base coach Jack Martin, finished the season last year with nine wins and nine losses, taking the last five out of seven games.

The returning lettermen, who hope to improve last year's record, are infielders Tom McDevitt, Tom Wohlwender, and Dan Wallis. The outfielders include Jim Niemann, Paul Schramm, Chuck Lima and Jack Matzet. The pitchers are Dick Meder, Arlin Beatty, Bill Reynolds and Jim Fallon; and catcher is Gene Martin.

All of these fellows, excluding pitchers, were first stringers last year.

Golf 1937

No wonder the future is bright for the Purcell link-men! They have four lettermen of last year, a number of promising reserves and several new comers.

The standouts of this year's team are: Captain Ron Wellman, a regular last year, and winner of the State Junior Amateur Tourney; and Gene Kamphaus who brought home the low score of the year—a fine 67.

Backing them up will be Longo, Power and Weber, along with a skillful reserve team, which lost but one match last year.

Though this year's clay court Cavaliers lost some valuable players through graduation, they rest their hopes on a young and willing team. The weight of this year's burden will fall on the following lettermen: Vorwerck, Rieckhoff, Connelly, Cremering and Zins. Vorwerck, who proved himself a real competitor last year, will probably step into the shoes of Jim Brockhoff as first singles. The number one doubles, in all probability, will be Cremering and Zins.

Purcell in the Swim Since 1937

The 1953 Cavalier swimming team, unhampered by the loss of last year's seniors, splashed its way to a successful season.

Coached by Jim McCarthy and Jim Garthier, the Cavaliers, mostly sophomores and juniors, finished second in the G. C. L., and three mermen, Ken Grote, Dick Dewey, and Nick Seta, qualified for the state meet in Columbus.

With these three swimmers and some promising underclassmen returning next year, Purcell looks forward again in an attempt to capture the G.C.L. crown, an effort which has been frustrated for the past few seasons.

Stanley F. Humbert
A Social Leader of 1953

As the President of the United States is the representative of the social life of the country, so Stanley F. Humbert, our school president, represents the social life of Purcell. In a truly refined fashion, he has officiated at both school and civic functions, bringing credit to himself and honor to the school. For our Jubilee year we feel there could have been no better choice than Stan for class president and social leader.

The Backbone of Cavalier Social Life

Service With a Ready Smile

Looks as if business is booming at the bookstore as Ed Longo says, "Sorry, we're sold out," and Clifford Giese takes in the green stuff.

During this year the Service Club members proudly wore their crimson and gold uniforms, for they were helping make this year the greatest of all. The members were ever ready and willing to work for the betterment of Purcell. They were on hand at all of the football games helping make this season undefeated. The club was a factor in the success of the Welfare meetings. They were called upon at the Turkey Bazaar and other social functions.

Much of their generous work is due to the leadership of Brother Henry Gensler, the club's moderator. Only boys with unselfish standards and the ability to do unrewarding work are accepted. These members are examples of devoted Christian youth, willing to sacrifice in order to further the enjoyment of others.

The cheer-leaders, under the supervision of Bro. N. Kleinhenz, were the spark-plugs of the Purcell rooting contingent at all games. Present at every football and basketball game, and rousing spirit at the rallies, they cheered the football team to an undefeated season while helping the basketball squad to do almost as well with its schedule.

Senior cheerleaders Tom Lee and Dennis Hemmerle were the mainstay of the squad. Juniors who will lead it next year include E. Bracke, W. Schildmeyer and J. Hogan.

Crimson Club --- Winners of the Cavalier Oscar

The Crimson Club, Purcell's all-senior honorary society, has served well during this year of celebration. Members are selected by the faculty and placed under the guidance of Father Joseph Kerr, S.M. Boys are chosen for their achievement in the fields of composition, speech, general leadership, and service. The members of the club served their school by writing for the Plume, speaking in the Debate and Speech Clubs, serving as class officers, leading students in the promotion of athletics, and representing Purcell in civic affairs. This year's group was a distinguished lot; it represents the type of leadership which graduates have achieved over twenty-five years.

Rallies Begun in 1928, And Still the Castle Walls Stand

Bob Verdin presents Bro. Bill with a much-deserved token of the students' gratitude for his twenty-five years of service at Purcell.

Stan and Mag lead the team in. Morgan apparently had one too many! (Orange juices in the cafeteria.)

Bro. Bill opens the Silver Jubilee football season. His hopes for an undefeated season were realized.

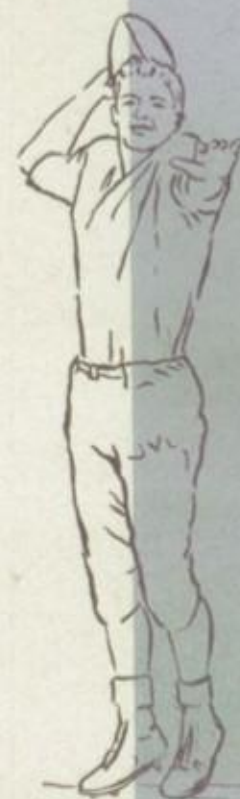

"Butch" Bomkamp and Harmon are borne in by slaves, much to the delight of the plebians.

The rallies held before football games are traditional events. Their main purpose is to instil pep into the student body, and, more important, the football team. Interwoven is a certain amount of hilarity and fun too, provided by short skits. Of course, there is always

a "short talk" by Brother Bill. The rallies can justifiably claim a fair share of Purcell's stirring gridiron record last fall, for they have produced wonderful spirit and cheering from the student body for "The Invincible Eleven."

Mag sizes up the adversary's coach. Mert Doyle (Simon Legree) whips the opposition into its favorite position—on the ground.

Phil (the abdomen) Magliano and McQuaide mimic the Purcell coaches as they "tell off" the boys.

We Willie consults his watch while Besuden relies on concentration to learn the odds on the Evansville game.

Stan Humbert and Phil Magliano break their way into the G.C.L. championship.

Gardner, Jablonski and Doyle demonstrate the scientific method of determining the outcome of a game in 2053 A.D.

Jubilee Football Banquet

Proud parents enjoy the feast, along with the promising Reserve team.

The 1952 Silver Jubilee football banquet was a colorful event of the year. A capacity crowd of 800 people, one of the largest in the school's twenty-five year history, filled the Sheraton-Gibson Roof Garden to hear the compliments and cheers bestowed on the '52 Cavalier football Champions.

After a delicious meal, the excellent speeches of toastmaster Joe Quinn, Post's sports writer; Brother Bill; Father Gorg; Coaches Jim McCarthy, Jack Hanlon, Sid Gillman, and Ed. Kluska; and the enlightening talk of "Stu" Holcomb, head coach of Purdue University, were heard with approval by all.

The twenty-five seniors were awarded letters, a cut-out statuette of themselves, and a small football trophy with the inscription "Purcell—City Champions—1952." The juniors received letters and gold footballs.

The "52" football team put its confidence in Chuck Lima and Bill Macke by electing them co-captains for the coming season. The "most valuable player" award went to quarter back Bill Williams; Tom McGraw, offensive center, won the "best offensive player" trophy. Defensive end Dan Wallis captured the "best defensive player" trophy.

We can say that Purcell's testimonial dinner was a fitting reward for a fighting and undefeated team. We can be sure that the accomplishments of the "52" squad will not soon be forgotten.

THE WELFARE ASSOCIATION

This year the Purcell Welfare Association again played its major role in the education of the students here at the Cavalier Castle. The parents' organization was headed by its officers: Mr. Ed. Beimesche, President; Mr. Jack Cameron, Vice-President; Mr. Joe Hutzel, Membership Chairman; Mrs. Lawrence Devanney, Secretary. Mr. Ed. Lee served as publicity chairman, Mr. John Schmid as entertainment chairman, and Mr. Tom Anderson as social chairman.

Purcell Parents the Basis of 25 Years of Achievement

It's Welfare night and Father Gallagher is telling the good and bad news to Mr. and Mrs. Verdin.

Welfare Association --- 1928

To be sure, the Purcell Welfare Association does much for the school and the individual student. At the monthly meetings held here at school, the parents of the boys meet the teachers, and discuss the various problems with which the student is confronted. Catholic education is a result of the home and the school working together for one objective, the development of the perfect Christian gentleman. A major part of the welfare meeting is set aside for this purpose. The parents discuss the work of their son, thus obtaining first hand reports on their son's progress. This system is an accepted part of the educational procedure at Purcell.

Their efforts in working for the school were tireless and successful. In addition to monthly meetings there were several other projects, headed by the Silver Jubilee Fall Festival, the senior mothers' "Monte Carlo" party held April 25, which sponsored the Senior Prom, and the parental craperoning of all Purcell's dances.

This organization has contributed much to the development of Purcell and to the Catholic education of the thousands of boys who have attended here. It has in every way aided the further advancement of the school.

The Welfare Association gathers at one of its monthly meetings. Through the years, the Welfare has contributed greatly in the development of our school.

The Jubilee Fall Festival and Christmas Party

Dougherty, Gardner, Maness, Scheidler, Muchmore, Niemann and Schulte prepare to feast after the Christmas Novena Mass at De Sales.

The Turkey Raffle, a vital part of the Fall Festival, was a distinct financial success this year, as always in the past. The Turkey Raffle alone grossed six thousand dollars and the receipts from the booths and concessions brought the total to over ten thousand dollars.

Festival fun is the important aspect of the Turkey Raffle. This year the cafeteria sported colorful decorations based on the twenty-fifth anniversary celebration.

One of the more outstanding of the Welfare meetings was the Christmas gathering and party held on December 18th. The party was preceded by a short business meeting after which parents and teachers joined in a spirited Christmas celebration.

Each member of the Welfare brought a twenty-five cent gift. These were distributed by Santa and his helpers—the Service Club. Special gifts were given to members of the faculty and also to those seldom awarded workers at Purcell—the janitors, cooks and secretaries.

Santa was good to the Marianists this year, for a station wagon presented to the Brothers was on display.

A Joyful Mind Maketh Age Flourishing.

A typical Purcell informal dance. Plenty of people (the fair sex especially), not much dancing, lots of talking and everyone having a wonderful time.

DANCES

Time out For Teens

A sound example of all-around Cavalier spirit was shown at the various dances and socials held during the past year. Knowing the principle, "All work and no play makes Jack a dull boy," (though apparently there are few such Jacks at Purcell) the school provides Cavaliers and Cavalierettes with wholesome entertainment while preparing them for a Christian social life after graduation. The cafeteria dances were immediately successful even though "gals" outnumbered "guys" nearly two to one. These and other dances were held under close supervision of the C.S.M.C. and the dance committee headed by Father Favret. Purcellites will remember the socials as those pleasanter moments of school life.

Silver Jubilee Celebration

On Saturday, April 18, a Pontifical High Mass of Thanksgiving was held at St. Francis de Sales Church. This was attended by Alumni, students and welfare members. The Celebrant was the Rt. Rev. R. Marcellus Wagner, assisted by members of the clergy who have been connected with the school during the past twenty-five years. The Very Rev. John A. Elbert, S.M., Provincial of the Cincinnati Province of the Society of Mary, and the first Principal of Purcell, preached the sermon. Archbishop Carl J. Alter presided at the Mass and spoke of Purcell's usefulness to Cincinnati and the Church.

On Sunday, April 19 at 6:30 p.m. a Banquet was held in the Netherland Plaza. Special honor was given to Bro. William Schroeder, Athletic Director, and to Miss Mary Kennedy, school secretary, both of whom have been with Purcell since 1928.

Al Stephan, Athletic Director at Xavier University and graduate of Purcell, served as Toastmaster. Father Leonard M. Fee, Principal at Purcell from 1941-1946 gave the main address. He spoke of the wonderful family spirit at Purcell and of the value of the Cavalier Code.

A Record of Growth and Accomplishment

PROCLAMATION OF PURCELL DAYS

WHEREAS, the weekend of April 18th through April 19th will mark the Silver Anniversary of Purcell High School; and

WHEREAS, the Alumni Association, assisted by the members of the Welfare Association, is sponsoring a Silver Jubilee, which will begin with a Solemn High Mass and close with a banquet in honor of the two people who have rendered twenty-five years of service to Purcell; Miss Mary Kennedy, Secretary and Brother William Schroeder, Athletic Director; and

WHEREAS, Purcell, the largest parochial high school in Cincinnati has contributed greatly to our City academically, spiritually, civically, culturally, and athletically;

NOW, THEREFORE, I, Carl W. Rich, Mayor of the City of Cincinnati, do proclaim April 18th and April 19th as

PURCELL DAYS

in Cincinnati in tribute to this outstanding educational institution.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Seal of the City to be affixed this thirtieth day of March in the Year of our Lord, Nineteen Hundred and Fifty-three.

Carl W. Rich,
MAYOR.
